FOUR BEDROOM HOME ON 88 ACRES

Two and one half baths with four bedrooms and a fully finished basement make this home desirable for a large family or for one with lots of company. It has a large family room with a pellet stove to keep the winter chill away. There is a metal shop with two overhead doors and barn. There are 88 acres of irrigated land with some trees. Room for your horses. Price: \$400,000 or this property may be split with the home and 37 acres for just \$279,000. Just a quick drive from town on a paved road.
